## How you can get involved

- ★ Create an **orange fundraiser** on your own, with your school, your workplace, your friends or other groups you are involved with.
- ★ Create a fundraising page and ask your friends, family, colleagues to make a donation. Go to [lightitorange.org.nz](http://lightitorange.org.nz) for tips and resources.

Every \$250 you raise can fund an urgent callout by a Shine specialist to a family in crisis.

## Domestic violence is an epidemic in NZ

For too many Kiwis, home is not a place of safety. It's a place of fear and shame, hidden behind closed doors.

## How Shine helps

Shine's mission is to make NZ homes violence-free. We help victims of domestic violence and their children get safe and stay safe.

- Shine crisis advocacy: safety planning and support for victims in crisis
- KIDshine: specialists work with children affected by domestic violence to help them stay safe and heal
- Refuges in Auckland offer safety and support for women (and their children) who are at risk of further harm
- Free national Helpline **0508 744 633** for anyone experiencing domestic violence or worried about someone else. We provide information, advice and referrals to local services.
